LETTER REQUESTING CLARIFICATION OF OFFICE ACTION

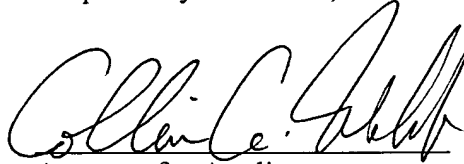

Sir:

An Office Action dated November 7, 2002, has been received in the above-identified application that indicates that Claims 1, 5 and 9 are rejected "as being anticipated by Oyamada." (See Office Action, page 2, paragraph 5). However, there is no document of record in which an Oyamada is listed as an inventor. Because the nature of the rejection is unclear, Applicant is unable to adequately respond to the Office Action.

Applicant's representative's repeated attempts to resolve the issue over the phone since receiving the Office Action have not proved fruitful. Accordingly, Applicant's representative hereby formally requests clarification of the November 7, 2002, Office Action by the issuance of a new Office Action with a new time period for reply or a supplemental Office Action.

Applicant's undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 530-1010. All correspondence should continue to be directed to our address listed below.

Respectfully submitted,

Attorney for Applicant
